0.2 Exploratory Data Analysis

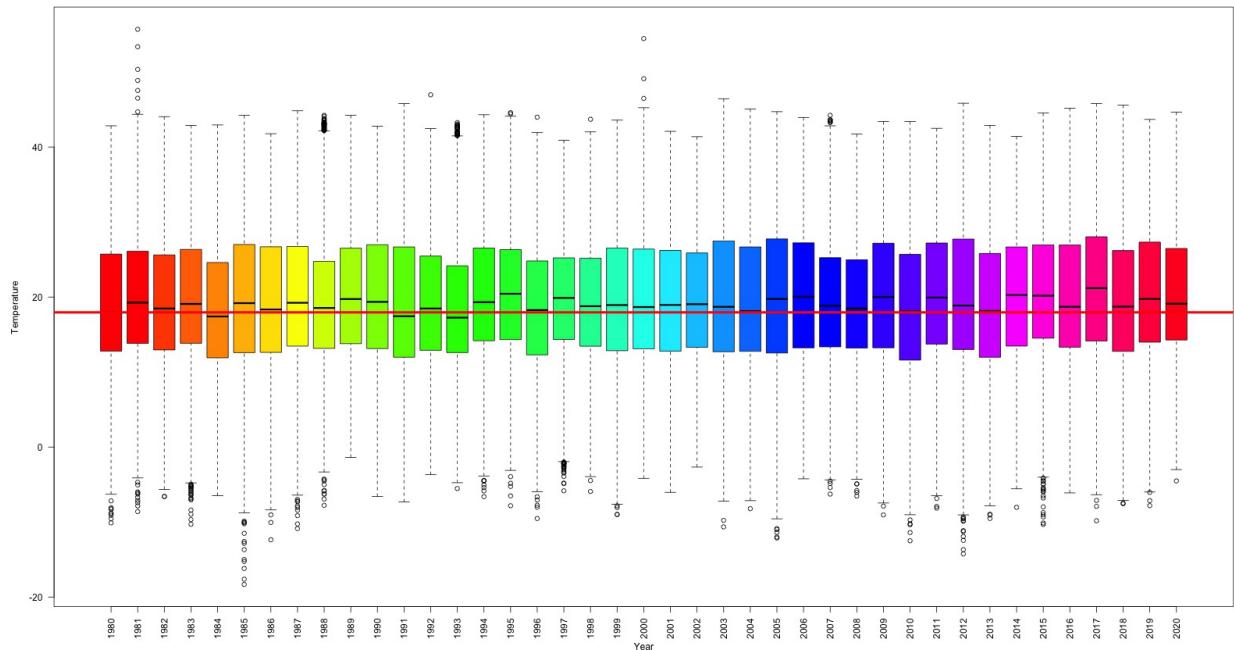

0.2.1 Temperature Data Analysis

We have created yearly boxplots for each country and each temperature variable. The boxplots are presented below. The red line corresponds to the median temperature of the year 1990.

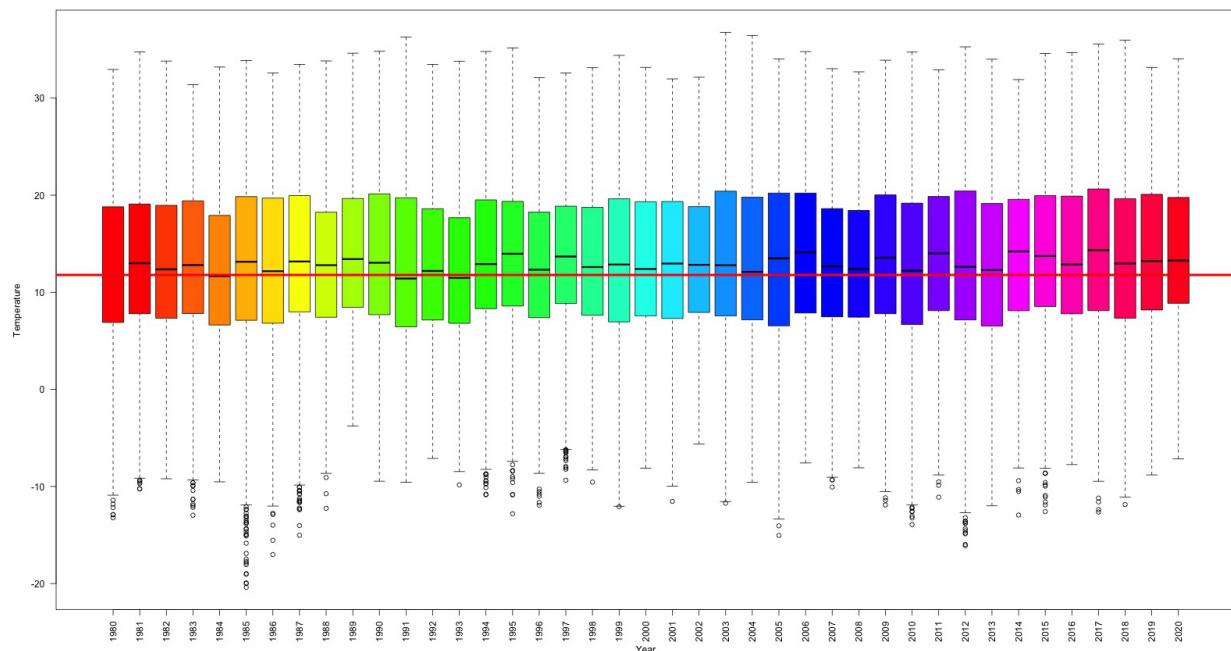

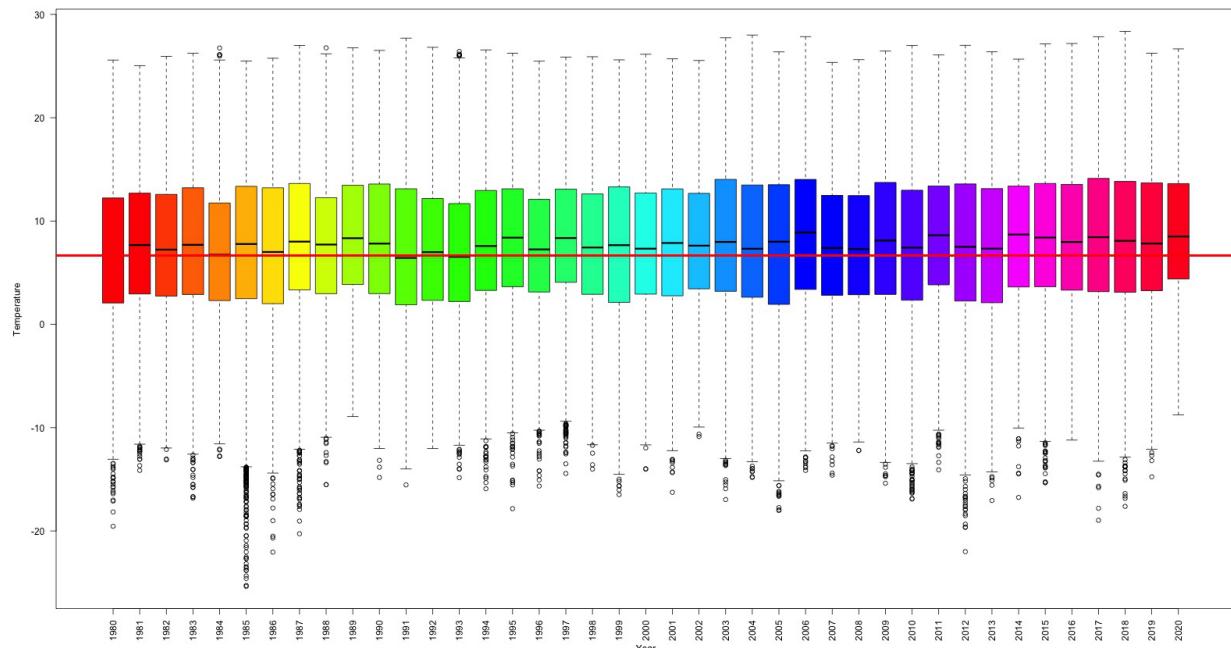

Yearly Boxplots of temperature_max for Spain

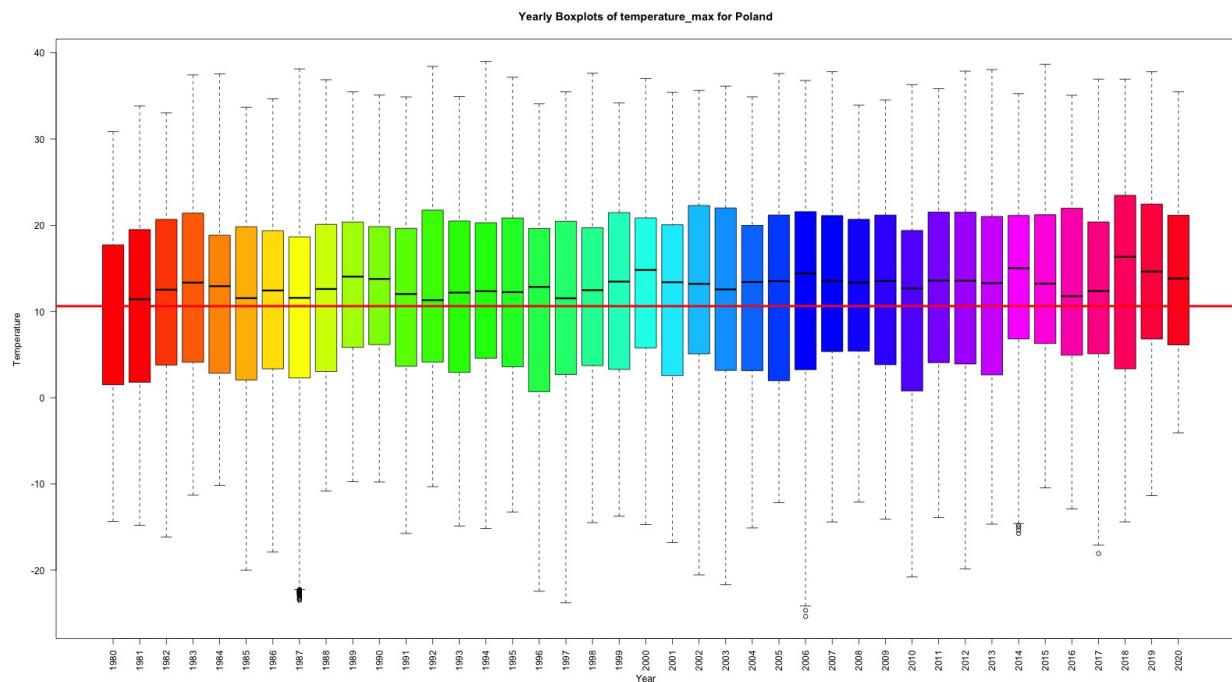

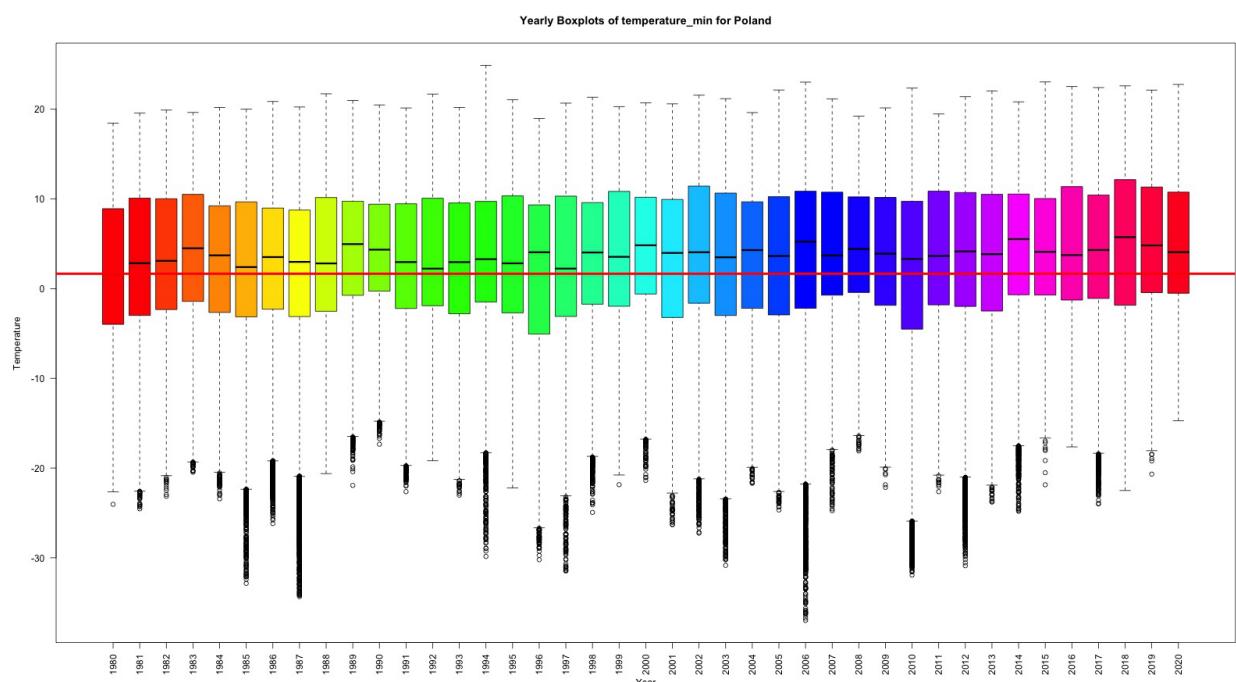

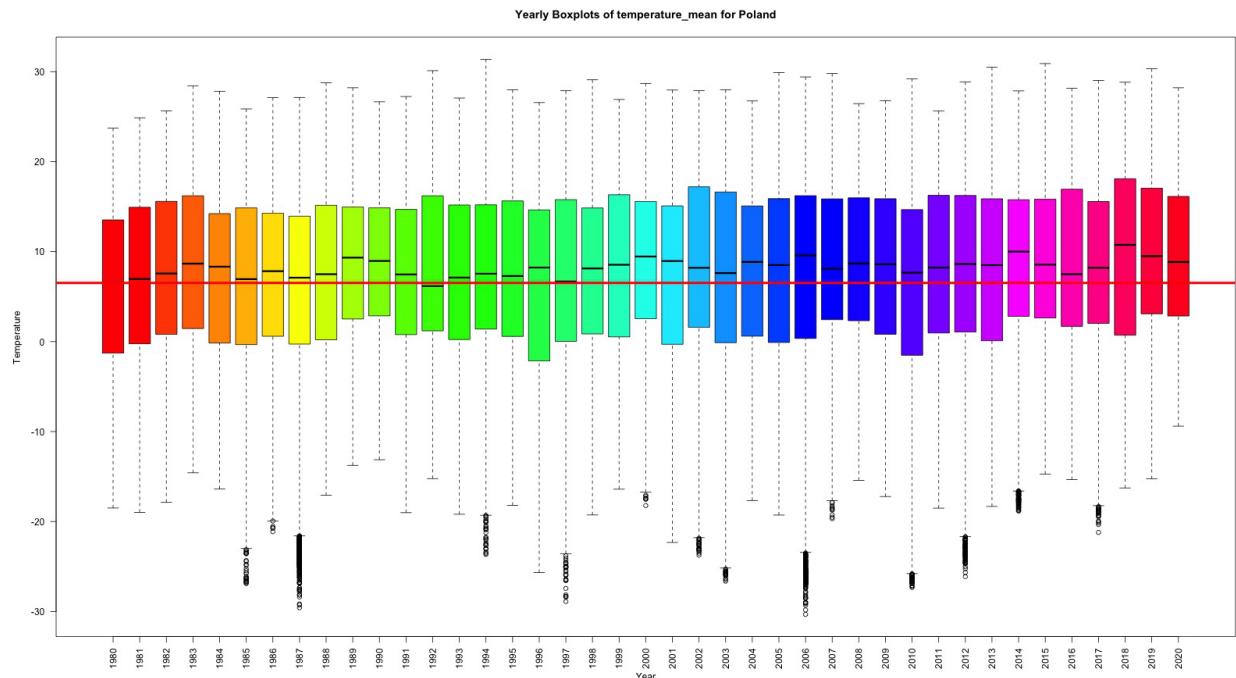

Yearly Boxplots of temperature_mean for Spain

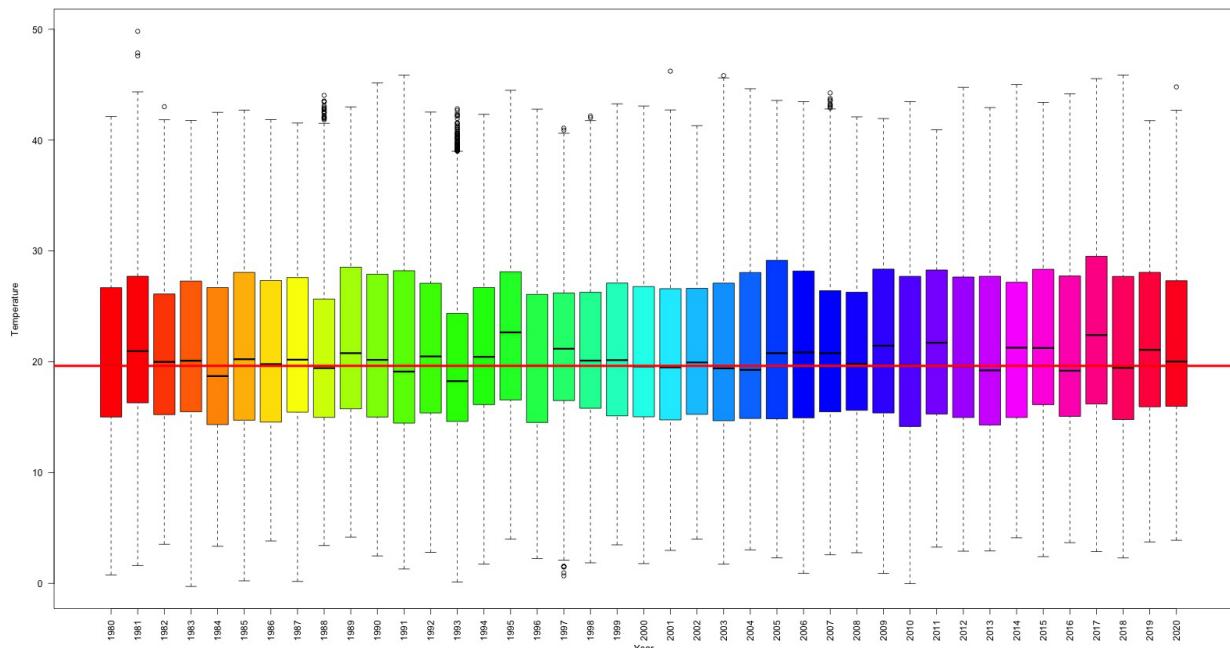

Yearly Boxplots of temperature_min for Spain

Yearly Boxplots of temperature_max for Portugal

Yearly Boxplots of temperature_mean for Portugal

Yearly Boxplots of temperature_min for Portugal
